**Abstract:** The abstract should be short and concise. The abstract should not be less than 400 words and no more than 600 words. The person reading the abstract should have an accurate idea of your work.

Details of the study, comments and references should not be included in the abstract. However, the purpose and importance of your study, the used method(s), the observations and findings (primary ones), results (primary ones) and recommendations should be included in the abstract, provided that each of them is briefly mentioned.

**Keywords:** Keywords should be written from the narrowest to the most comprehensive, reflect the entire study and title well, and consist of at least 3 and at most 5 words. (For example: Map, Map Literacy, Geographical Skills, Geography Education).

- 
- After signing up to the system, you can submit your abstract by typing in the relevant spaces according to the system's instructions. A separate Word document will not be submitted to the system for the abstract.
  - Abstracts submitted to the system will be evaluated by at least two reviewers according to the above rules. After the evaluation, a decision will be taken about acceptance of the abstracts.
  - For an abstract that you think is not suitable for one of the subheadings defined in the system, you can submit the paper by selecting the OTHER option at the bottom of the subheading.
  - After submitting your abstract in the system, a “Confirmation of Registration” will be sent to the e-mail address you specified in the system. If this e-mail does not reach you, please check the abstract submission process again and if needed contact to the congress secretariat.
  - One author can upload a maximum of two abstracts (or s/he can be an author of two abstracts), and they should upload them to the system using only one name and e-mail address (without multiple registrations).
  - The authors whose abstracts are accepted will be informed between 01.05.2021 and 01.10.2021.
  - The LETTER OF ACCEPTANCE will be sent to the owners of the papers/posters whose papers/posters have been accepted after depositing the related Congress fee to the account number given below.
  - Submitted papers can be presented online, both synchronously and asynchronously. Those who will present their papers asynchronously should prepare the videos, not exceeding 15 minutes, and send them to the congress secretariat at least one week before the presentation.
